TRIUMF Summer Institute (2020) - Quantum Computing and Machine Learning for Science and Technology
Summer School / Programme

Friday, 7 August 2020

TRIUMF Summer Institute (2020) - Quantum Computing and Machine Learning for Science and Technology Summer School

Friday, 7 August 2020

Applications: Deep learning applications at the LHC (11:15 - 12:00)

   -Conveners: Alison Lister

Monday, 10 August 2020

Applications: ML in science and engineering (11:15 - 12:00)

-**Conveners: Roman Krems**

Tuesday, 11 August 2020

Applications: Intro to quantum machine learning (11:15 - 12:00)

    -Conveners: Nathan Killoran

Applications: Intro to quantum machine learning (11:15 - 12:00)

    -Conveners: Nathan Killoran
