

LISA Canada Workshop

Contribution ID: 3

Type: **not specified**

Astrophysics Working Group

Tuesday, 27 April 2021 10:00 (30 minutes)

We'll introduce the idea of the Working Group structure in the LISA Consortium, and discuss our activities, and ways that we try to build opportunities for the LISA community to collaborate and work together. I'll try to make my comments brief, and would like to leave as much time as possible for discussion and questions.

Chair: Will East (Perimeter)

Co-Chair: Saurya Das (U Lethbridge)

Presenter: LARSON, Shane (Northwestern U)

Session Classification: Astrophysics Working Group
