

International Workshop on Next Generation Nucleon Decay and Neutrino Detectors NNN 2019

UNIVERSIDAD DE MEDELLIN

COLOMBIA

Venue

- Universidad de Medellin is located in Colombia and is one of Medellin's top universities.
- Universidad de Medellin was created 67 years ago.
- The campus occupies around 13200 hectares and is characterized by magnificent contact with nature, flowers and beautiful landscape gardens.
- Hotel "Casa del Egresado Club" (4 stars) is located 5 min walking from University of Medellin. The Hotel/Club has new comfort rooms for visiting professors, scientists and students around the world.

Basic Sciences Faculty

- Consist about 35 academic staff members.
- There are 5 research groups in the following areas: solid state, biomedicine, materials, astrophysics, earth science, education.
- Young faculty with experience on Pierre Auger experiment, big data and machine learning.
- The faculty has a research center to attend and manage the needs of the university researchers.

Why NNN19 in Medellin-Colombia?

- Enhance and continue the tradition of High Energy Physics in Colombia
- Increase the scope of interest of the high energy physics community in the country from CMS and ATLAS to participation in future groundbreaking neutrino experiments as DUNE/HyPER-k and others.
- Universities in Colombia (Antonio Nariño, Atlantico, Sergio Arboleda) are members of different neutrino experiments (NOvA, DUNE NEXT).
- Interest of Institutions in Medellin to contribute in hardware and software projects for different neutrino experiments
- Great opportunity to enhance the attendance of Latin America researchers in the conference.

Universities helping in the organization of

Local Organizing Committee

Co-Chair: Alex Tapia, Universidad de Medellín

Co-Chair: David Martinez, South Dakota

School of Mines and Technology

Richard Benavides, ITM.

Jaime Betancourt, Universidad de Nariño

Diego Restrepo, Universidad de Antioquia

Location

Jose Maria Cordova International Airport
Is approx 40 min away

Ample parking on site

Santa Marta
Barranquilla
Cartagena

Medellín

Bogotá
