TRISEP 2022  
July 4, 2022

# TRISEP = tri-institute school on elementary particles

2

- Collaboration between the Perimeter Institute, SNOLAB, and TRIUMF.
- Held annually, rotating between TRIUMF, SNOLAB, and PI.
- First started in 2013, running every year since except 2020.
- We hope you enjoy this year's edition at TRIUMF!

# Places and Peoples

3

- TRIUMF and UBC are located on the traditional, ancestral, and unceded territory of the Musqueam (x<sup>w</sup>məθk<sup>w</sup>əy'əm) people.
- I encourage you to learn more at <https://www.musqueam.bc.ca/>

# School Overview

4

- Please read over and follow our code of conduct and COVID policies.
- See <https://meetings.triumf.ca/e/TRISEP2022> for information.
- About 30 in-person students and 25 remote from all over the world.
- Lectures and tutorials every weekday, July 4-15, by world expert speakers.
- Breaks (morning and afternoon) and lunch will be held in the courtyard.
- Please contact me or any of the other organizers if you have any questions, suggestions, or requests.

# Excursions

- On the two Wednesday afternoons we will have school excursions.
- Please sign up if you would like to join us!
- **July 6:** [Grouse Mountain](#)
  - in North Vancouver across the water, chartered bus there and back
  - option of gondola ride up or hike the Grouse Grind (800m up over 2km)
  - restaurant, activities, and more at the top (gondola ride down for everyone)
- **July 13:** [Museum of Anthropology \(MOA\)](#)
  - *“a place of world arts and cultures with a special emphasis on the First Nations peoples and other cultural communities of British Columbia”*
  - located at the northwest corner of campus

Thank you  
Merci
