

TRIUMF Science Week 2022

Monday, 18 July 2022

Nuclear Physics (13:00 - 14:15)

-Conveners: Iris Dillmann

time	[id] title	presenter
13:00	[52] Nuclear structure of light transition metals via high precision mass measurements at TITAN	Dr REITER, Pascal
13:35	[53] Recent highlights from the GRIFFIN spectrometer	Dr VEDIA, Victoria
13:55	[54] Ab initio evaluations of light-ion reactions and their uncertainties	Dr KRAVVARIS, Kostas
