

# Particle Physics Faculty Meeting

- Agenda
  - News/Update
  - Round table

Happy New Year!

Particle Physics Holiday  
Dinner – East is East

## ALPHA BAE Hire

### ALPHA BAE Hire

- Rodrigo Lage Sacramento (U. Rio de Janeiro) has accepted the TRIUMF offer
- Start date August 1st

## News

- PPR process
  - New hire Valeriya Levchenkova, Manager Organizational Development
  - Reworking P3 process
  - Emphasized special case for BAE's
  
- Affiliate Scientist renewal
  
- Discussion on sharing grant applications
  - General: Pros and cons
  - Specific: E.g. How to tackle new EDI requirements in grants
  
- Space for incoming students
  
- CNSC Inspection next week

## New Initiatives

- [Particle Physics Planning](#) results in impact on existing and future experiments and
  - New initiatives under discussion in dedicated task forces
    - Center for detector development (with SciTech, Nuclear, CMMS & Life Sciences)
    - Center for AMO/Quantum/Precision/physics (HAICU, radioactive molecules, UCN...), across Particle & Nuclear Physics departments
- A ~2 page summary by end of January (to be submitted through division)
  - Detector development [writeup](#)
  - AMO/Quantum/Precision task force (writeup in preparation)
  - “Innovation Center” proposal (including Data Science & Machine Learning, Green Tech, Conference & Workshop, Learning & Training + new office space) [writeup \(early draft\)](#)
- Informal discussion with the director seems to indicate that there will be no LOI process but the divisional submission is very much appreciated

**AOB**

## Round Table

- ATLAS
- T2K/HyperK
- TUCAN
- ALPHA
- SuperCDMS
- DarkLight
- PIONEER
- NA62
- n-EXO / PHAAR
- SNO+
- HALO
- g-2
- Belle 2
- Theory
