Panel: Careers in Industry with a Physics Background

Thursday, 3 August 2023 15:15 (45 minutes)

This networking event is focused on how to make a career out of a grad degree in physics. The event will feature a 1hr panel discussion with panelists coming from a range of companies in diverse fields around Vancouver to showcase career opportunities for those with a physics background. Learn all about what paths are available and how to follow them after you graduate!

Session Classification: Early Career Networking Event
