

Science Week 2024

Monday, 22 July 2024

Quantum Materials / Molecular and Materials Science (15:00 - 16:20)

-Conveners: Sarah Dunsiger

time	[id] title	presenter
15:00	[42] Searching for quantum spin liquids & ices with muons	Dr LUKE, Graeme
15:30	[37] muSR studies of rare candidate spin-triplet superconductors wanted for spintronics and quantum computing applications	Dr SONIER, Jeff
16:00	[116] On the Use of beta-NMR in Studying van der Waals Materials	TICKNOR, John
