

11th International Meeting of the Union for Compact Accelerator-driven Neutron Sources (UCANS11)

Thursday, 27 February 2025

Accelerators (16:00 - 18:00)

time	[id] title	presenter
16:00	[48] Development of Scalable High Current Accelerator Based Neutron Sources	Prof. PODLECH, Holger
16:20	[26] Design Considerations for a Proton Linac for a Compact Accelerator Based Neutron Source for Canada	ABBASLOU, Mina
