

11th International Meeting of the Union for Compact Accelerator-driven Neutron Sources (UCANS11)

Thursday, 27 February 2025

Session 9 (11:10 - 12:30)

time	[id] title	presenter
11:10	[5] Towards the Development of a Compact Very Cold Neutron Source for the High Brilliance Neutron Source (HBS)	Dr MAHARAJ, Dalini
12:10	[21] The CoolGal Target: Core of the Phase 0 NEPIR (NEutron and Proton Irradiation) Facility	MUSACCHIO GONZALEZ, Elizabeth
