NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 107 Type: not specified

Analysis of bubble chamber data on neutrino-induced pion production off the deuteron

Tuesday, 27 June 2017 14:55 (20 minutes)

Presenter: Dr NAKAMURA, Satoshi (Osaka University)

Session Classification: Neutrino Pion Production and Other Inelastic Interactions
