-
- **THANK YOU VERY MUCH FOR YOUR HARD WORK
IN PREPARING AN EXCITING PROGRAM!**

Would not have done this without the support
from

Fields Institute:

Esther Berzunza

Erika Pederson-Lorenzen

University of Toronto Physics Department:

Crystal Liao

**THANK YOU VERY MUCH FOR YOUR HELP
ORGANIZING THIS EVENT**

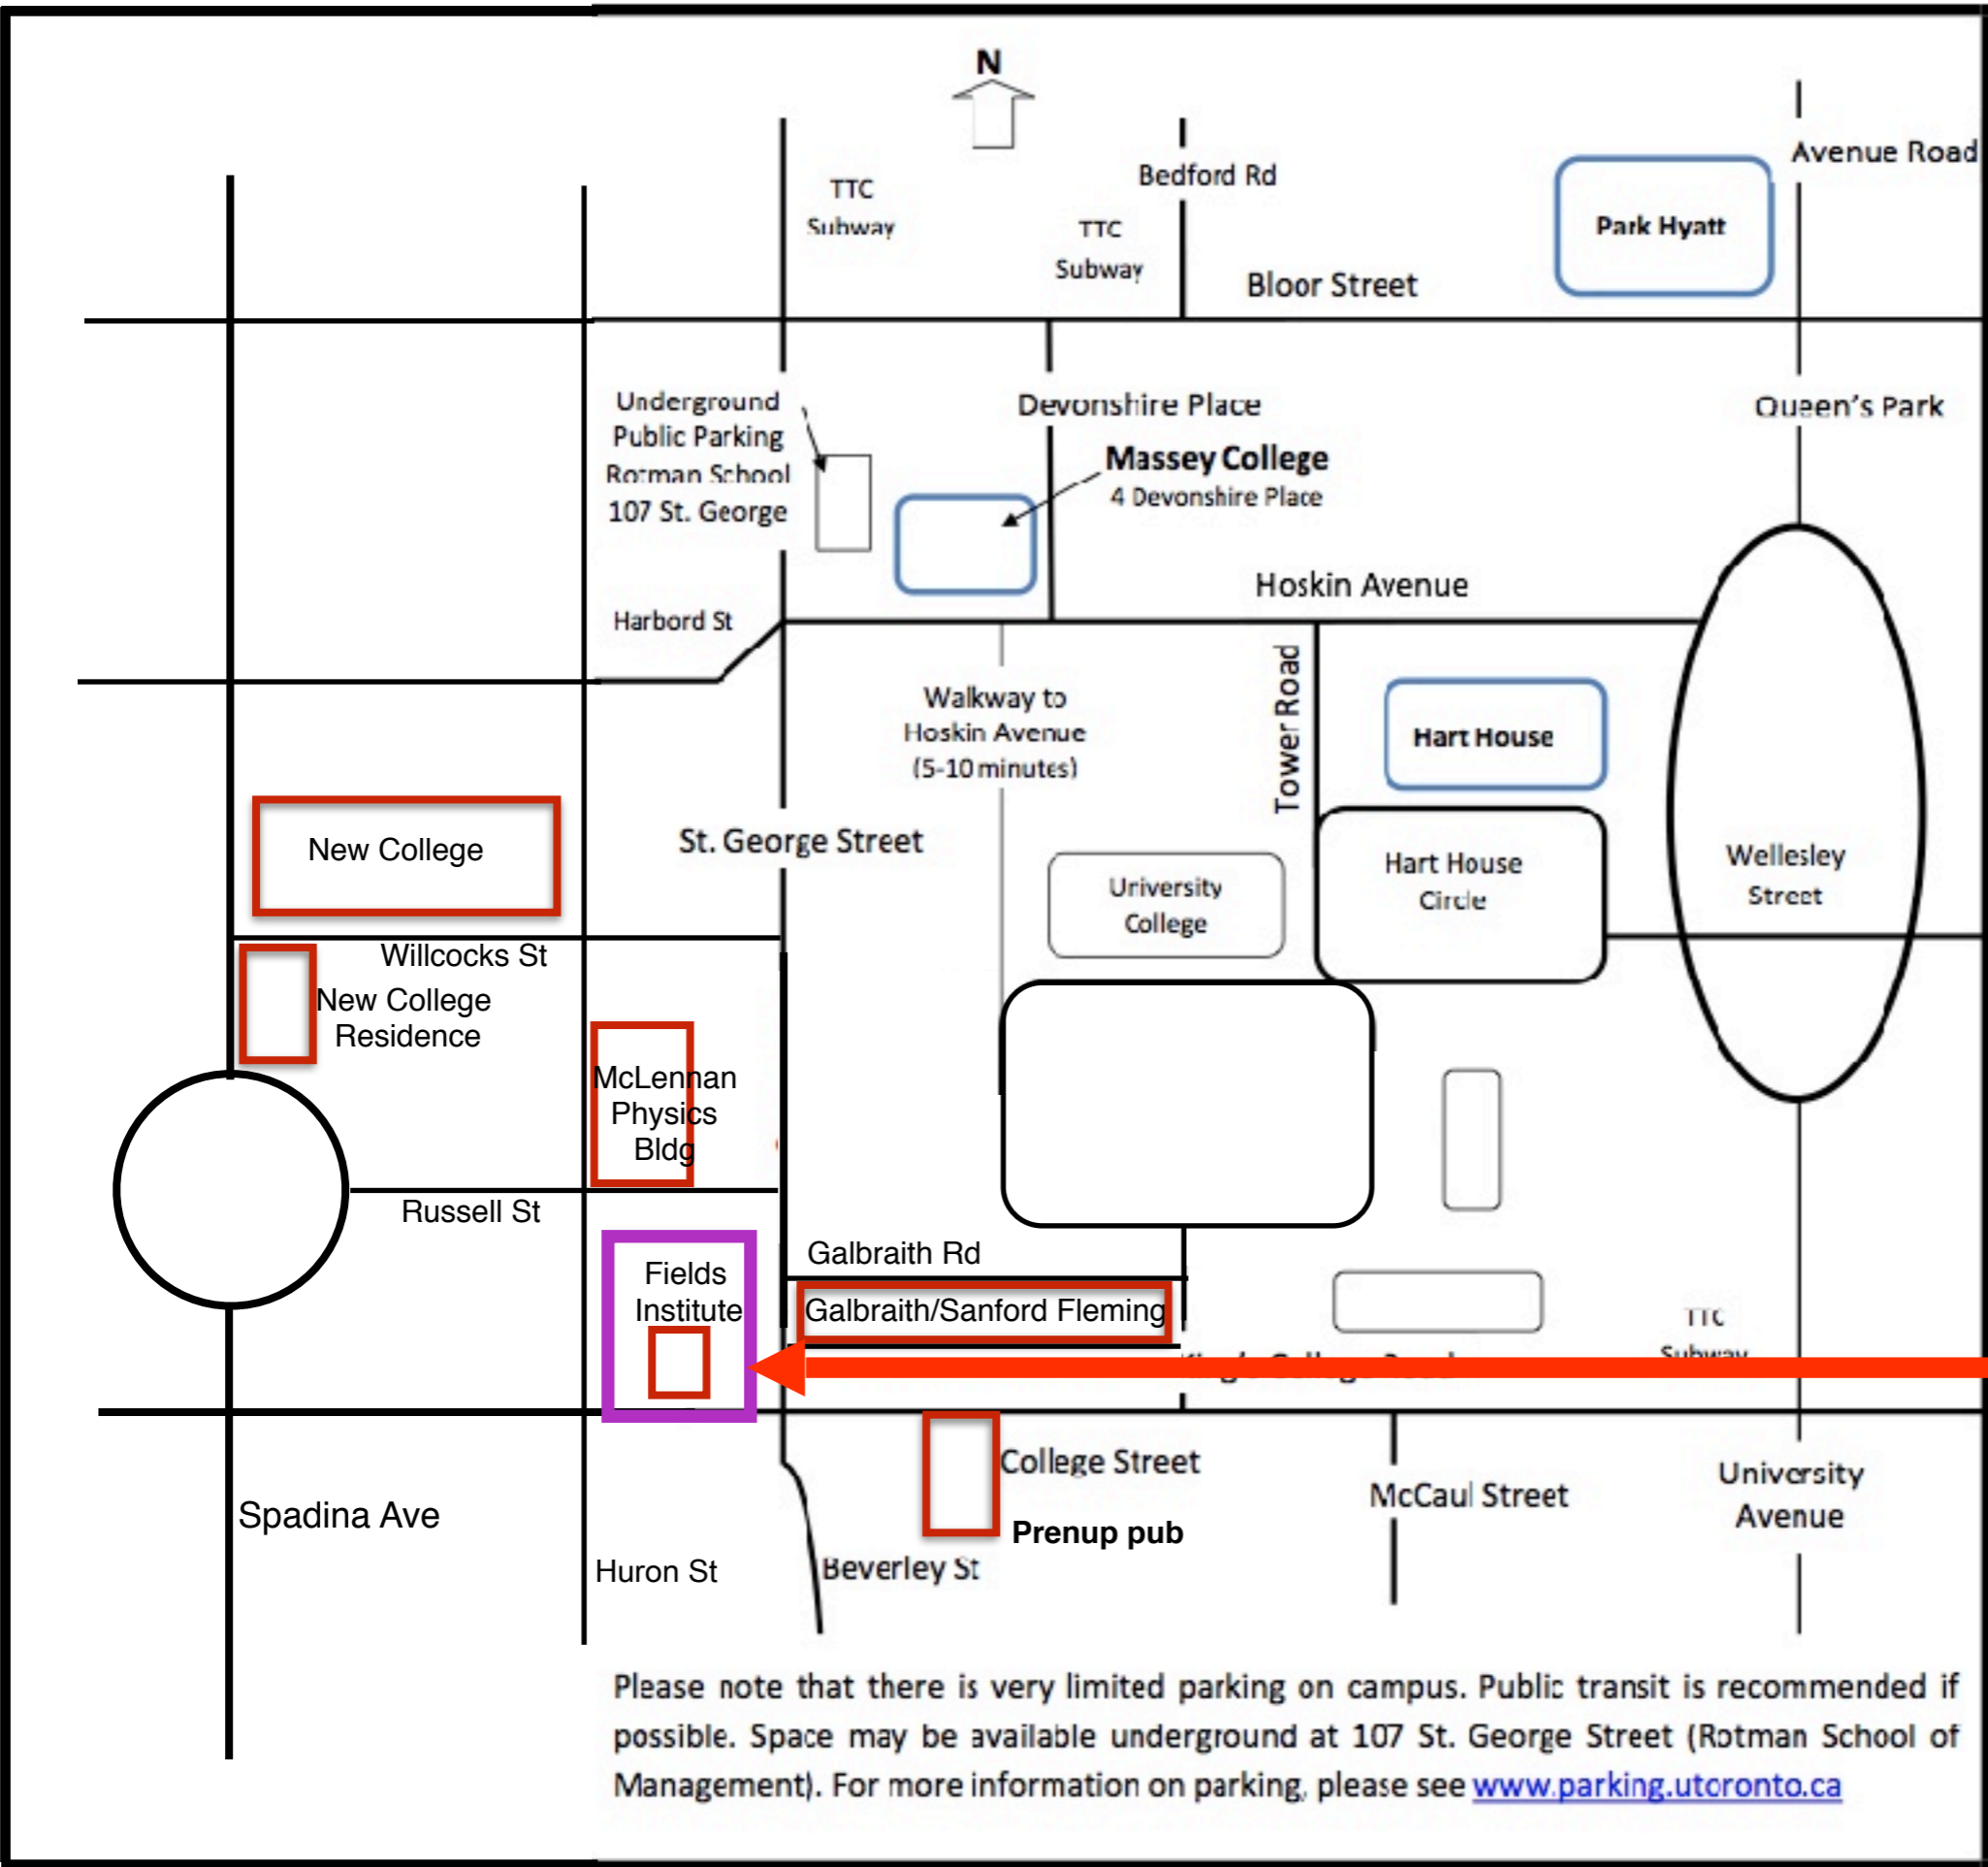

SPONSORS

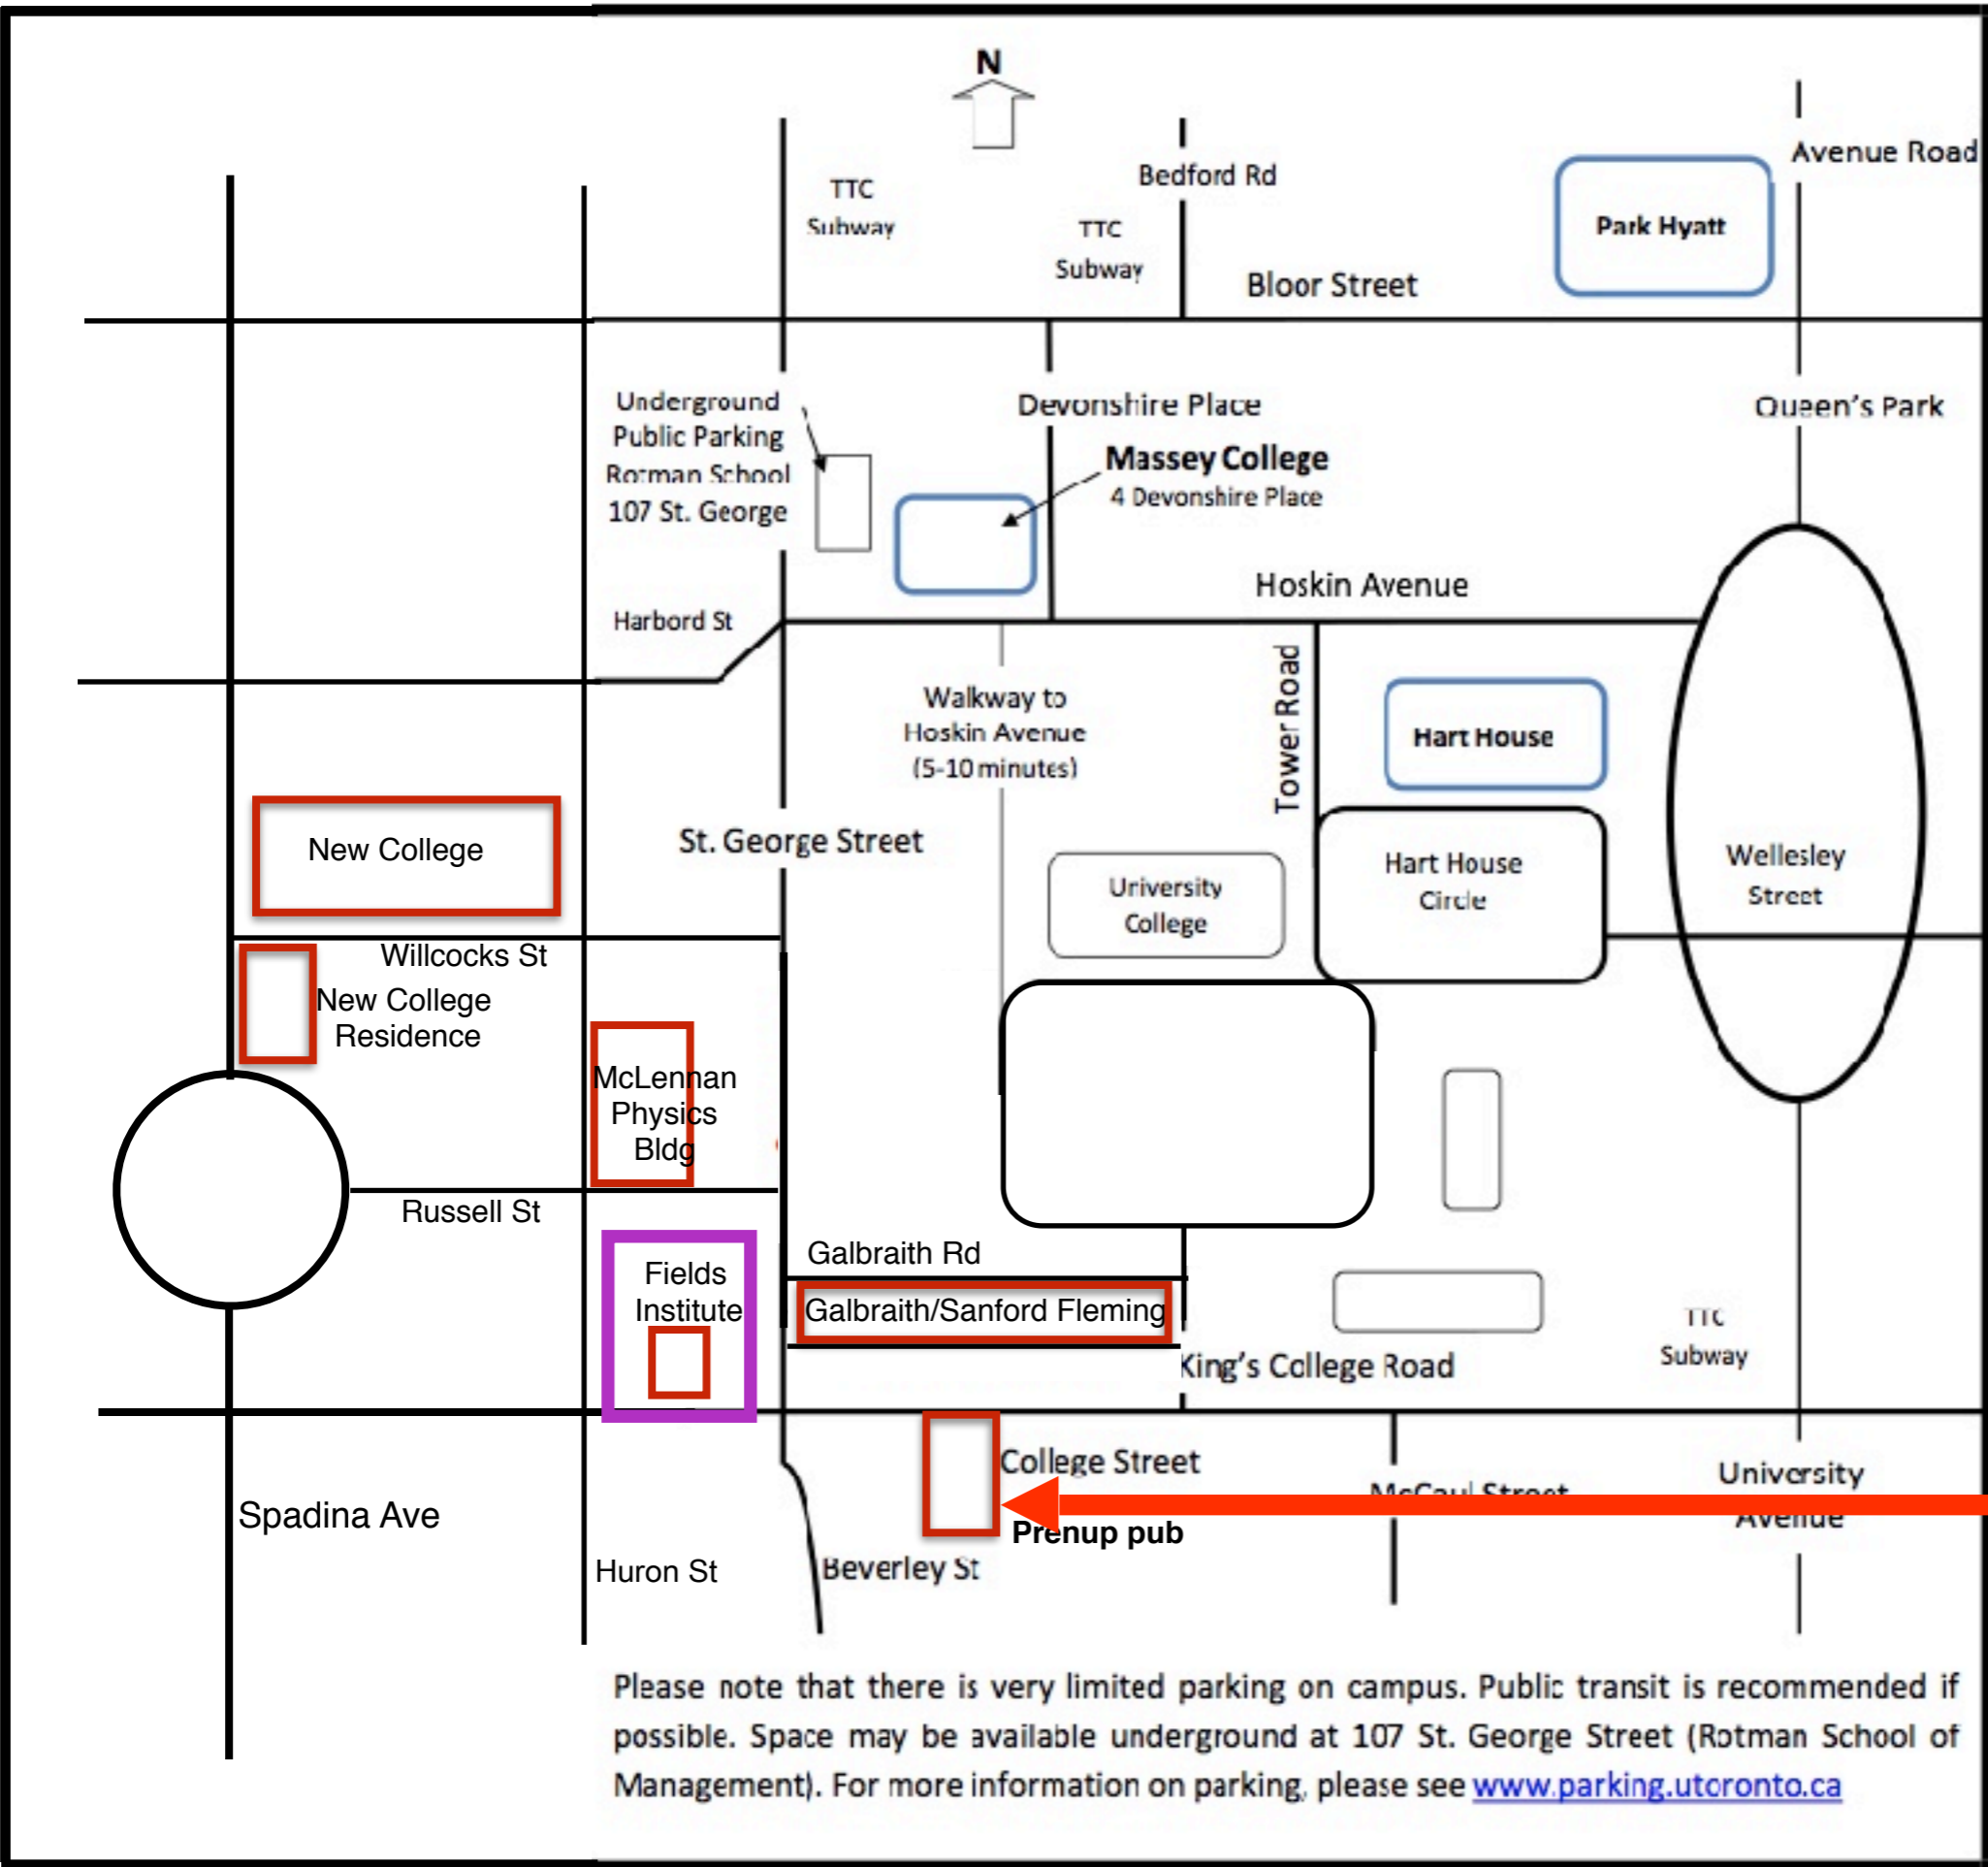

- Thank you for your generous support!

REGRETS

- We sincerely regret that there were a number of issues with obtaining visas to enter Canada
- Our apologies:
 - to the speakers who cannot attend or have to give their talk remotely
 - to the session organizers who had to readjust their beautifully crafted programs
 - to the participants, who will not be able to hear some excellent talks

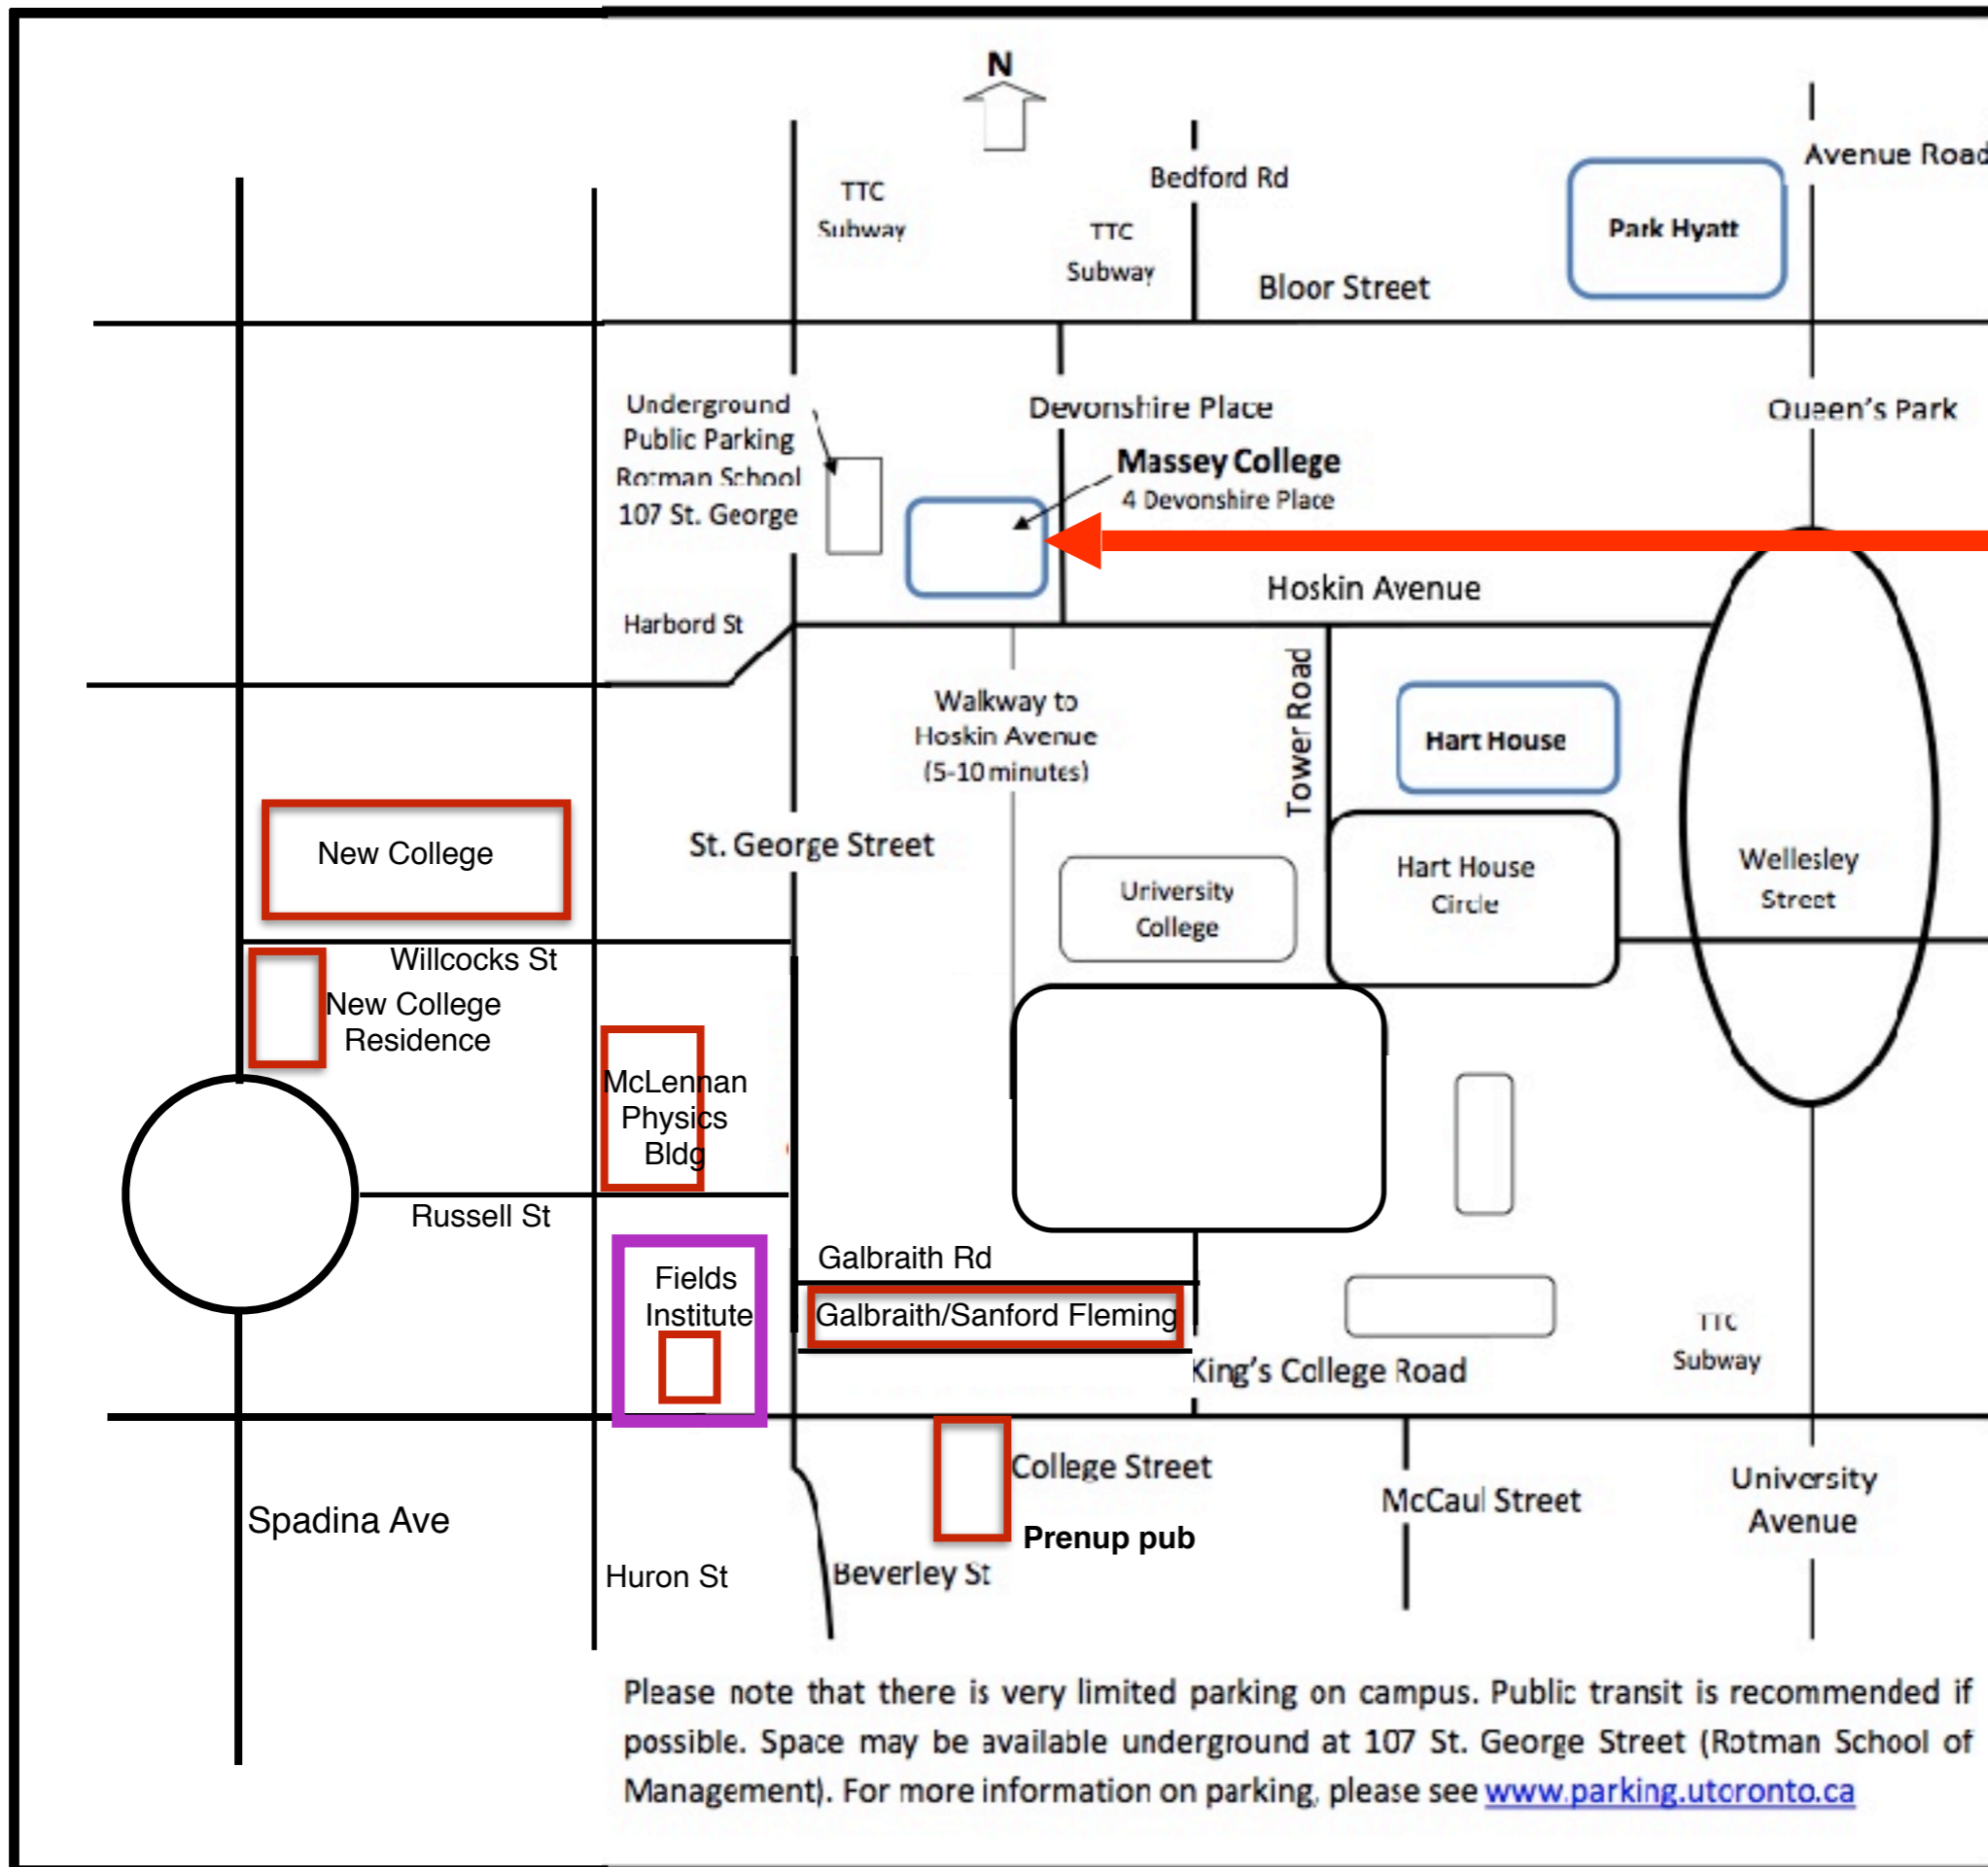

- **NOW**
- Sun, Mon, Tues, Wed, Fri
- sessions are held at the **Fields Institute**

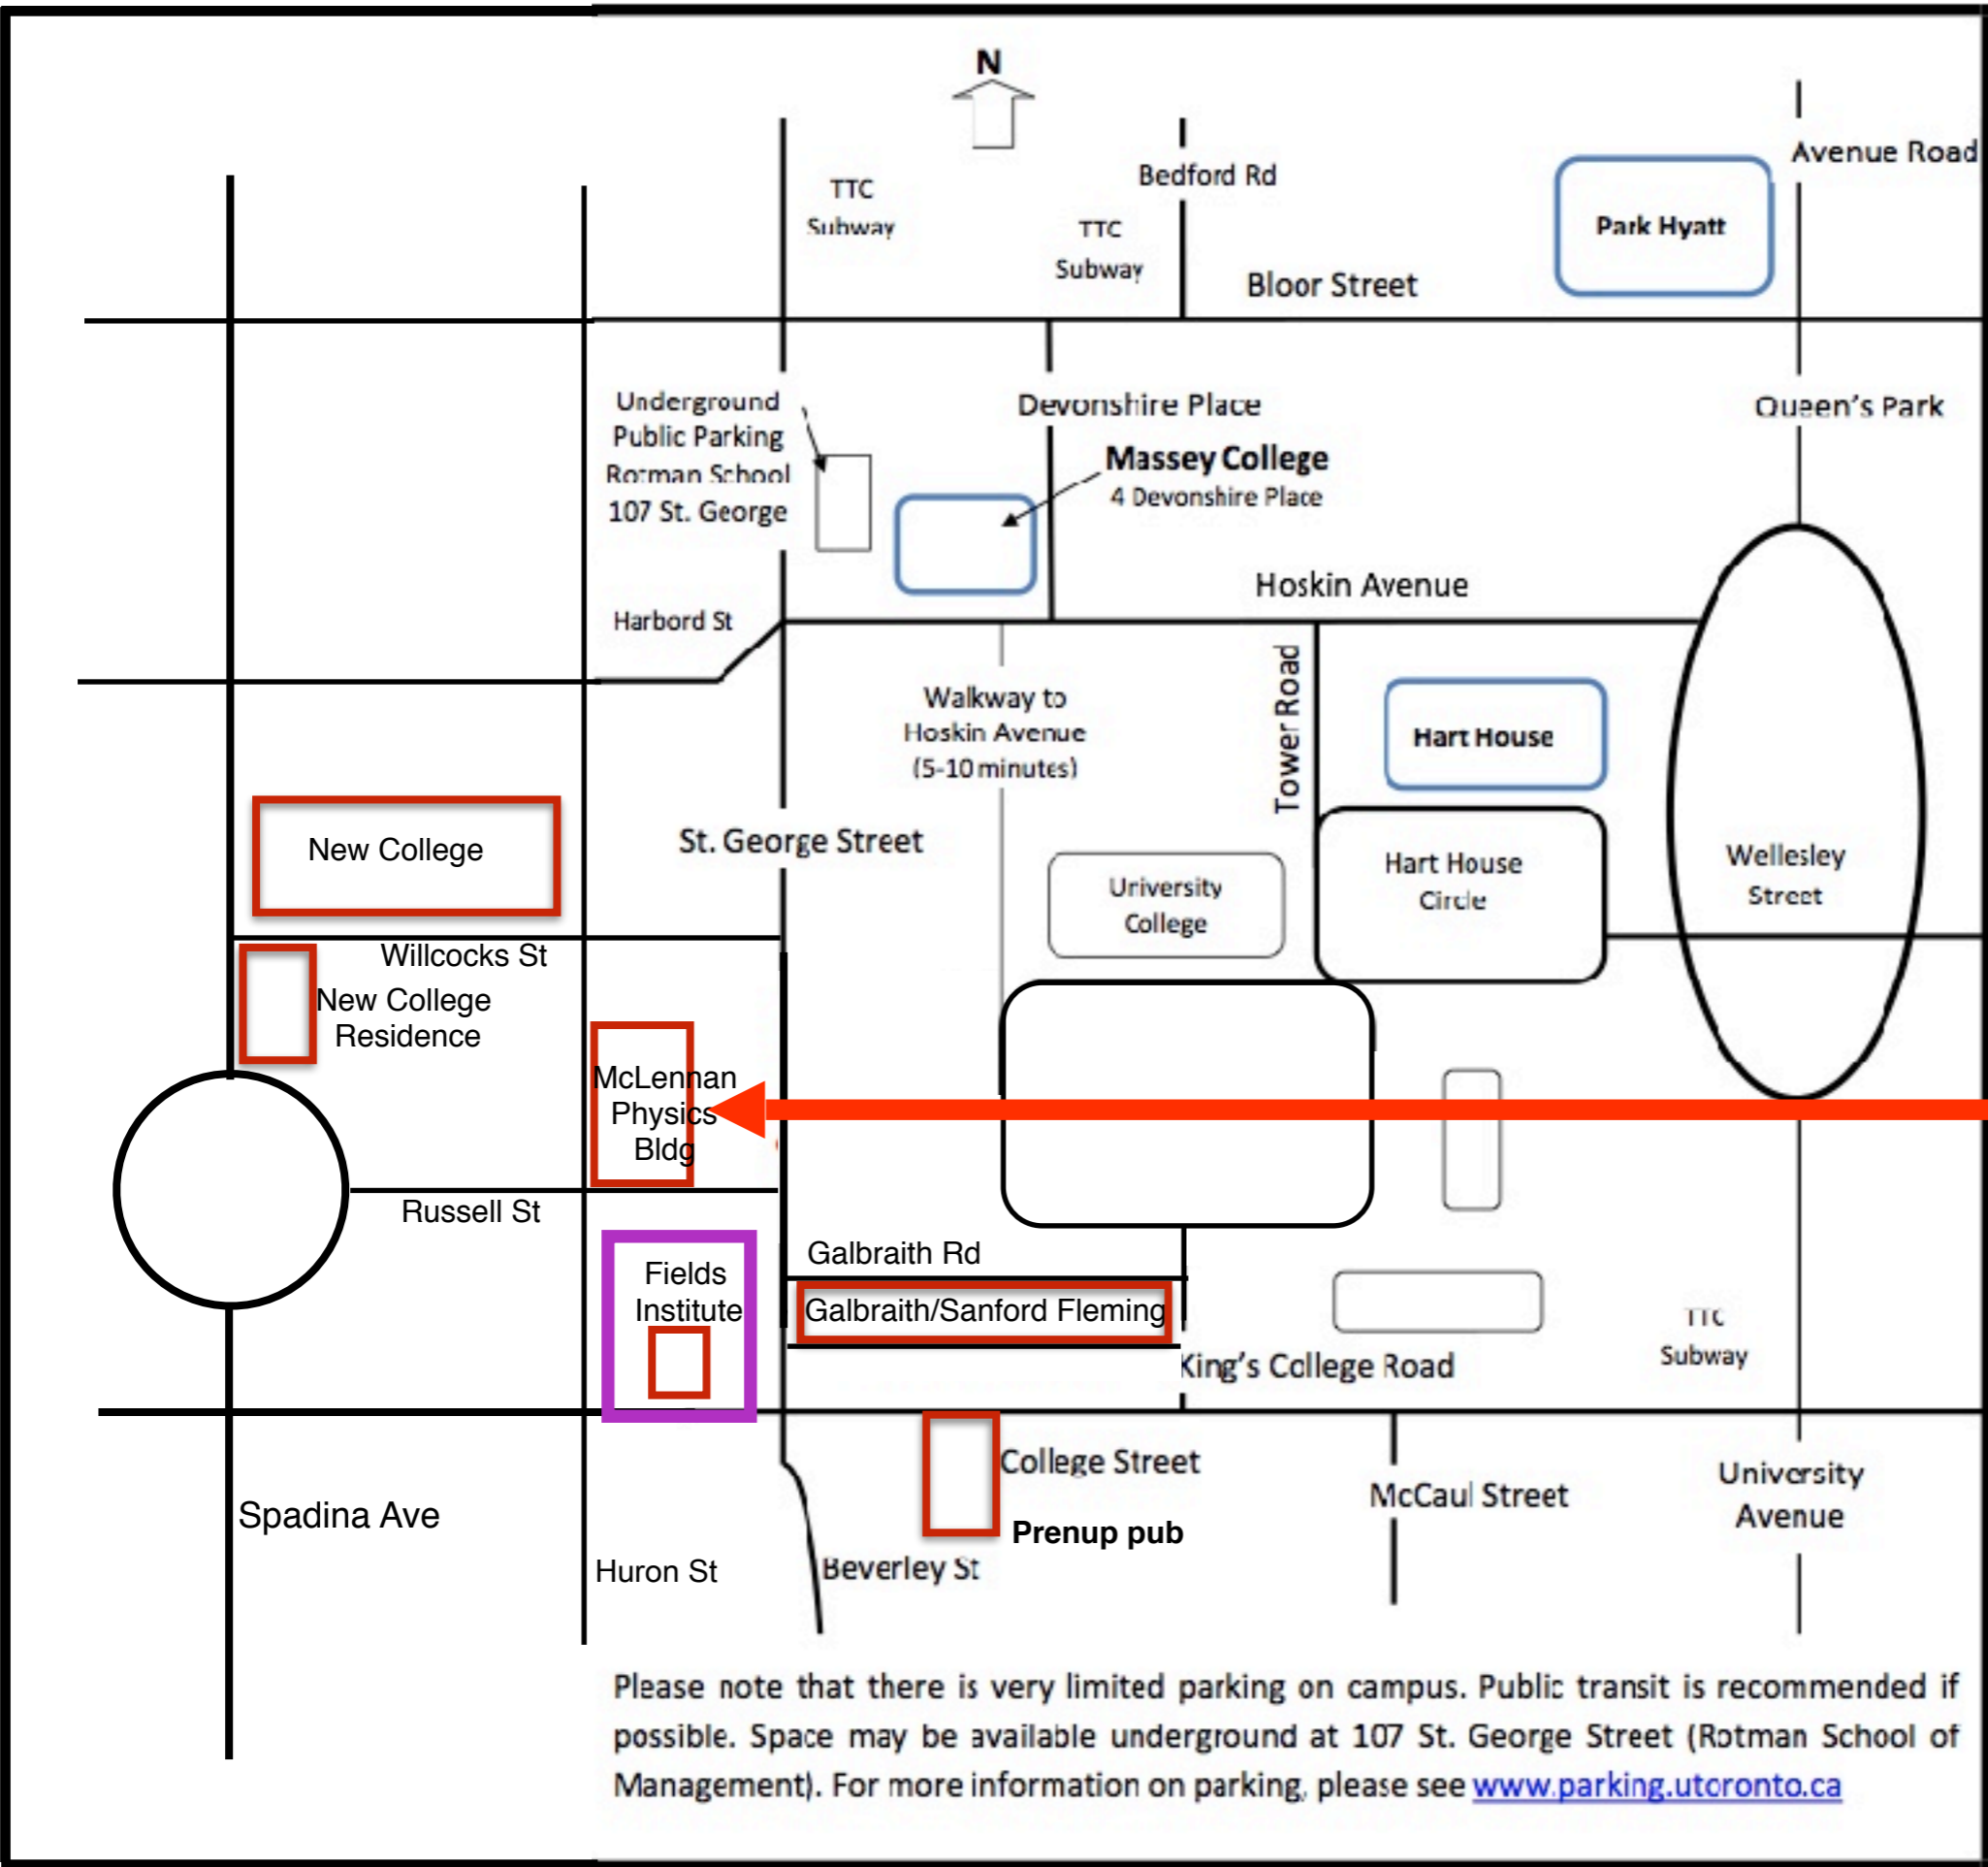

- **Tonight (Sun)**
- Welcome at the **Prenup Pub**
- 6:15 PM

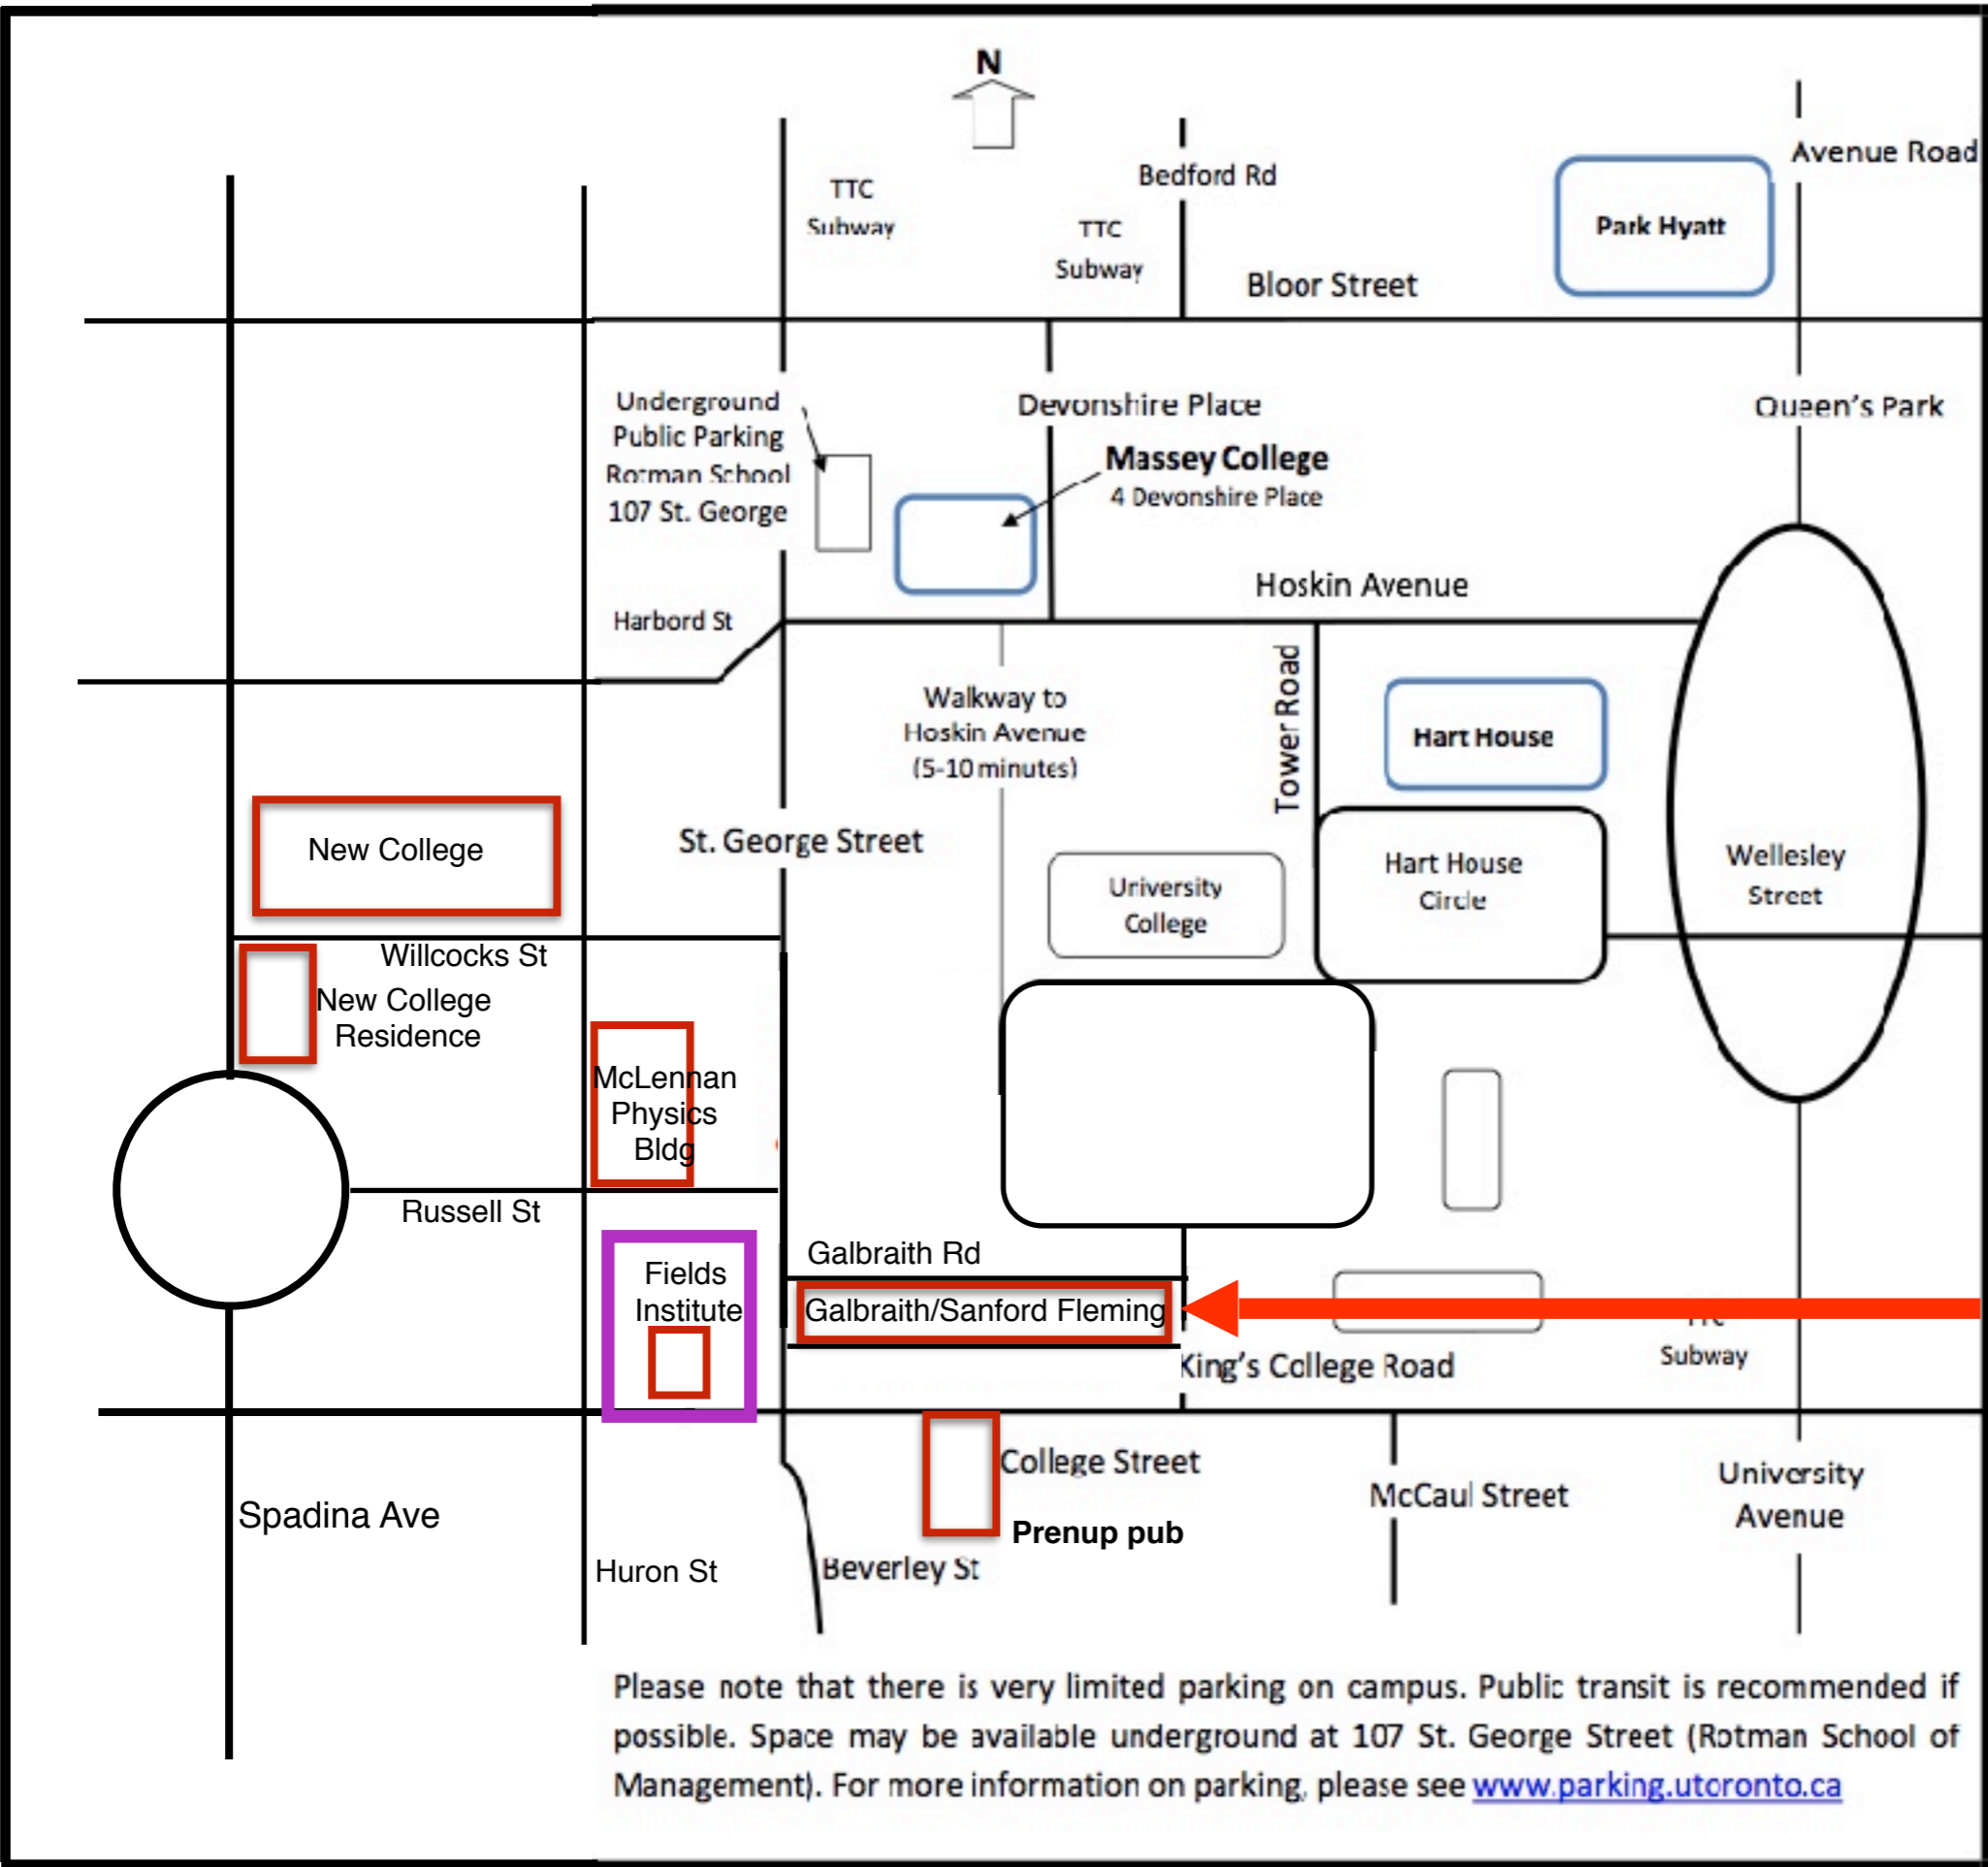

Please note that there is very limited parking on campus. Public transit is recommended if possible. Space may be available underground at 107 St. George Street (Rotman School of Management). For more information on parking, please see www.parking.utoronto.ca

- **Monday**
- Reception at Massey College
- 5:45 PM

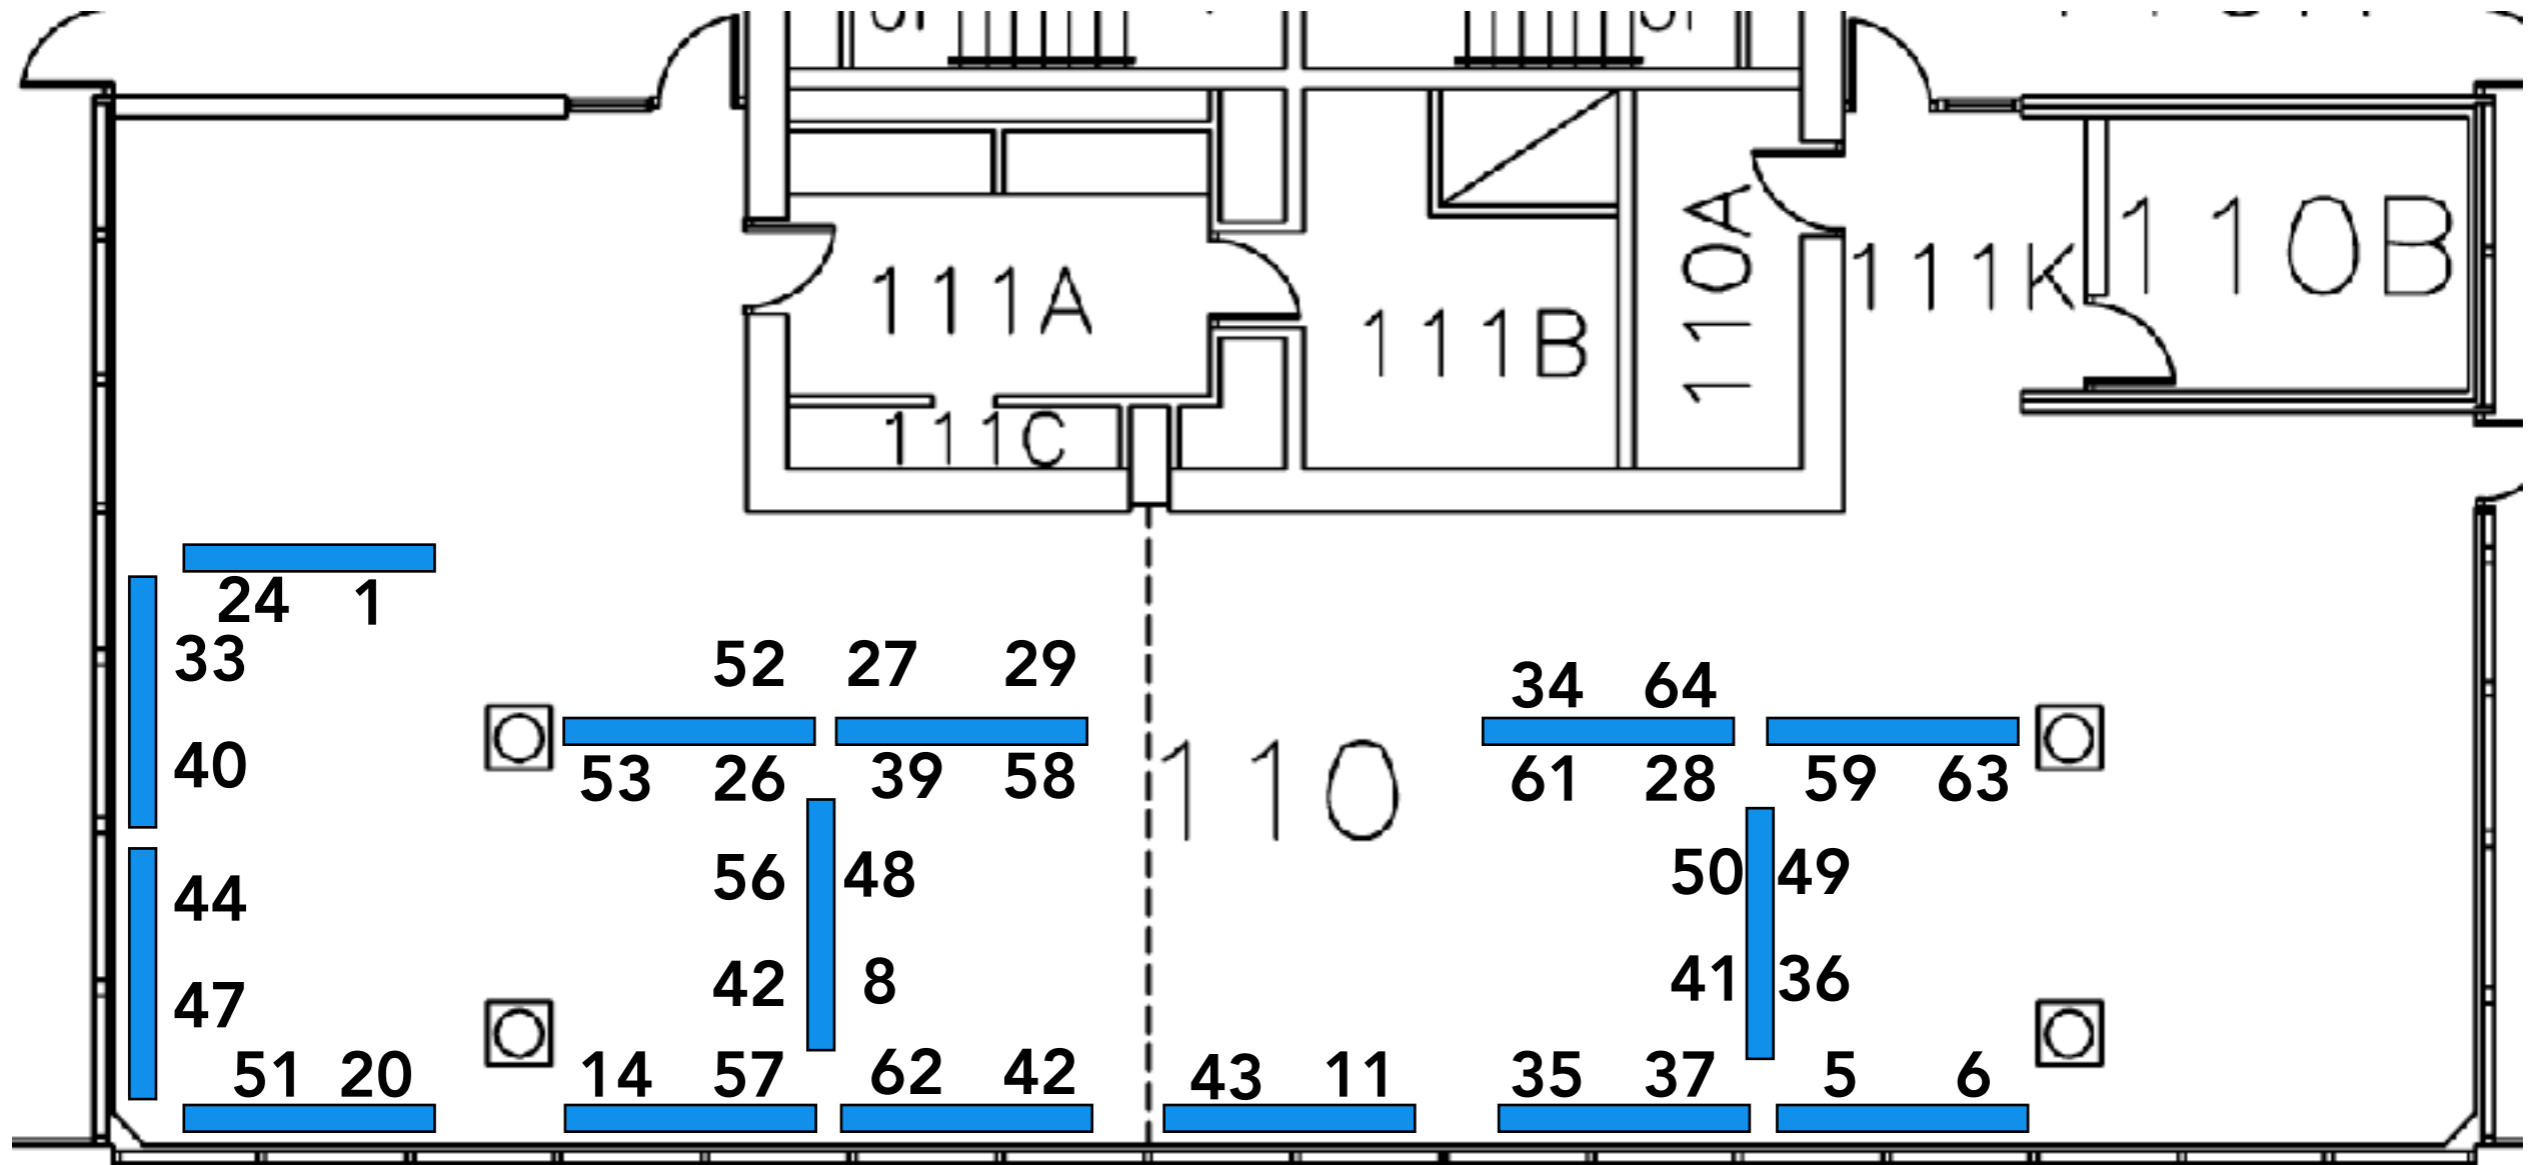

- **Tuesday**
- Poster session at McLennan Hall
- Room 110
- 5:30 PM

- **Thursday**
- Sessions are in the Sanford Fleming Building
- Room 1101

POSTER SESSION

- Poster location by abstract number
- Labels will also be placed on the board

- **Please Enjoy**
- **The Workshop**
- **Toronto**
