

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 172

Type: not specified

Measurement of Muon Neutrino Quasi-Elastic-Like Scattering in MINERvA at $E_{\nu} \sim 6$ GeV

Tuesday, 27 June 2017 17:50 (2 hours)

Presenter: Dr CARNEIRO, Mateus (Oregon State University)

Session Classification: Poster Session
