

# NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 75

Type: not specified

## NOvA: Impact of cross section uncertainties in the oscillation analysis

*Sunday, 25 June 2017 13:40 (35 minutes)*

**Presenter:** WOLCOTT, Jeremy (Tufts University)

**Session Classification:** Systematic Uncertainties and Impact on Oscillation Measurements
