

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Tuesday, 27 June 2017

Neutrino Pion Production and Other Inelastic Interactions - 230 (13:30 - 15:35)

time	[id] title	presenter
13:30	[103] Pion production at the nucleon level: resonances and continuum	KABIRNEZHAD, monireh
13:50	[104] Pion Production at the Nucleon Level	Dr HERNANDEZ, Eliecer
14:10	[105] Pion production at the nucleon level: from low to high W	Dr GONZALEZ JIMENEZ, Raul
14:30	[106] Nuclear Effects in Pion Production/Resonance Region	NIEVES PAMPLONA, Juan Miguel
14:55	[107] Analysis of bubble chamber data on neutrino-induced pion production off the deuteron	Dr NAKAMURA, Satoshi
15:15	[108] Pion production measurements at T2K	Dr BATKIEWICZ, Marcela
