**The TRIUMF Users' Group is by users for users,
with the mandate:**

The TRIUMF Users' Group is an organization of scientists and engineers with special interest in the use of the TRIUMF facility. Its purpose is:

- to provide a formal means for exchange of information relating to the development and use of the facility;
- to advise members of the entire TRIUMF organization of projects and facilities available
- to provide an entity responsive to the representations of its members for offering advice and counsel to the TRIUMF management on operating policy and facilities.
